**Notes from The Catholic Foundation of North Georgia**

Starting your own fund to benefit the parish is a wonderful way for you to memorialize or honor a loved one. It only takes \$5,000 to start this fund and when the fund grows to \$25,000 distributions will be made to the parish in the name of your loved one. Some people start a fund and then add \$5,000 a year to it and others start a fund and friends and relatives add to it due to their love of the person being honored and their love of the parish. If you would like more information about creating a personal endowment, please contact Diane Duquette at [dduquette@cfnga.org](mailto:dduquette@cfnga.org) or (404) 497-9440. Please also visit our website [www.cfnga.org](http://www.cfnga.org) for information on the many ways you can create your Catholic Legacy.

**Praying PACEM IN TERRIS**

Human beings have also the right to choose for themselves the kind of life which appeals to them: whether it is to found a family—in the founding of which both the man and the woman enjoy equal rights and duties—or to embrace the priesthood or the religious life. The family, founded upon marriage freely contracted, one and indissoluble, must be regarded as the natural, primary cell of human society. The interests of the family, therefore, must be taken very specially into consideration in social and economic affairs, as well as in the spheres of faith and morals. For all of these have to do with strengthening the family and assisting it in the fulfillment of its mission. Of course, the support and education of children is a right which belongs primarily to the parents. (15-17)
