2014 Archbishop's Annual Appeal

We thank those of you who responded to the appeal on Commitment Weekend. If you have not made a pledge, there is still time to do so. Our parish goal this year is: \$47,200. Please keep in mind that our parish receives 100% of all cash donated after our parish goal is met.

Pastoral Planning Process

You are invited to be a vital part of the exciting new planning effort the Archdiocese is initiating this year. The goal is to develop an Archdiocesan Pastoral Plan to address current and future pastoral needs of this local church. The first step in this process is to ask parishioners to participate in a brief survey available on the website www.archatl.com from March 6th- 23rd. This survey is different and separate from the Vatican survey that was recently presented in preparation for the Synod. The results of the Archdiocesan survey will identify key issues to be addressed by the Archdiocese in the next five years. To request a paper copy of the survey, please contact Jenny Scheb at jscheb@archatl.com or (404) 920-7852.

Thank You

I just want to take this time to tell you how much I appreciate what everyone donated to help do our Christmas Project at Clayton Transitional. Carol Craft was amazing in the way she spoke to Women's Circle and people at the Church for the second year. Carol was able to come and be a part of the Christmas celebrating, helping give out the gifts as well as serve the lunch we supplied for the Men. Christmas was a great success because of people like you. We are always in need of so many different things and it is awesome when people step up to help. Believe me it does not go unnoticed. The Church helps us in so many ways. I just want to put this in while I am writing, Paul Giles and Lolita Calvin are always so gracious to come when most of the time we will only have one person. Along with that, Paul is always bringing me some clothing for the Men. Again, I just want to thank you for all you do. This is truly good ground to sow into. Please know you are greatly appreciated by Superintendent Lester McCard and Assistant Superintendent Michael Cannon and the staff here at Clayton Transitional Center.

Blessing to all,
Chaplain Sue DeBord

Praying *PACEM IN TERRIS*

Finally, man's personal dignity involves his right to take an active part in public life, and to make his own contribution to the common welfare of his fellow citizens. As Pope Pius XII said, "man as such, far from being an object or, as it were, an inert element in society, is rather its subject, its basis and its purpose; and so must he be esteemed." As a human person he is entitled to the legal protection of his rights, and such protection must be effective, unbiased, and strictly just. To quote again Pope Pius XII: "In consequence of that juridical order willed by God, man has his own inalienable right to juridical security. To him is assigned a certain, well-defined sphere of law, immune from arbitrary attack." (26-27)
