Collection for the Holy Land

Christians around the world are united in a special way during Lent, Holy Week and Easter. Our hearts, minds and prayers are also especially aware of the Holy Land. Our parish, once a year on Palm Sunday, is called on to support Christians in the Holy Land. As a pontifical collection requested by Pope Francis, the annual Palm Sunday Collection offers a direct link for parishioners to be witnesses of peace and to help protect the Holy Places. When you donate on Palm Sunday, you are supporting Christians in the Holy Land.

The Women's Council invites all women of the parish to a Day of Reflection on the "Chaplet of Divine Mercy" on Saturday, April 26th, 9:00AM-1:00PM. The message of mercy is that God loves us— all of us— no matter how great our sins. He wants us to recognize that His mercy is greater than our sins, so that we will call upon Him with trust, receive His mercy, and let it flow through us to others. Thus, all will come to share His joy. \$5.00 for lunch. Contact Jean Driskell at (404) 241-1946 for more information.

Notes From The Catholic Foundation of North Georgia

Important Planning Decisions: There are 3 things every adult needs to have. **1. A Will:** you can now plan your will online at www.cfngalegacy.org. It is a secure and private site. When finished planning, print your plan and take to an attorney to complete your will. Please remember to include the parish endowment fund or capital campaign in your will. **2. Power of Attorney:** This is needed in case of incapacity in order to have someone take care of your daily affairs. **3. Advanced Directives:** This is important for your family to know your wishes in medical situations and it gives someone the ability to carry out your wishes. For additional information, please contact Diane Duquette, Director of Gift Planning at The Catholic Foundation of North Georgia: dduquette@cfnga.org or (404) 497-9440.

Praying PACEM IN TERRIS

Man's personal dignity requires besides that he enjoy freedom and be able to make up his own mind when he acts. In his association with his fellows, therefore, there is every reason why his recognition of rights, observance of duties, and many-sided collaboration with other men, should be primarily a matter of his own personal decision. Each man should act on his own initiative, conviction, and sense of responsibility, not under the constant pressure of external coercion or enticement. There is nothing human about a society that is welded together by force. Far from encouraging, as it should, the attainment of man's progress and perfection, it is merely an obstacle to his freedom.
