### World Day of Prayer for Vocations-May 11th

Jesus, our Good Shepherd, bless all our parishes with numerous priests, deacons, men and women in religious life, consecrated laity and missionaries, according to the needs of the entire world, which you love and wish to save. Assist our pastors and all who live a consecrated life. Guide the steps of those who have responded generously to your call and are preparing to receive Holy Orders or to profess vows. Look with love on young people and call them to follow you. Help them to understand that in you alone can they attain complete fulfillment. To this end we call on the powerful intercession of Mary, mother and model of all vocations. We beseech you to sustain our faith that the Father will grant what you command us to ask. Amen.

Fourth Sunday of Easter

Sacramental Schedule

Praying *Pacem in Terris*

Secondly, the part that women are now playing in political life is everywhere evident. This is a development that is perhaps of swifter growth among Christian nations, but it is also happening extensively, if more slowly, among nations that are heirs to different traditions and imbued with a different culture. Women are gaining an increasing awareness of their natural dignity. Far from being content with a purely passive role or allowing themselves to be regarded as a kind of instrument, they are demanding both in domestic and in public life the rights and duties which belong to them as human persons.
