## Notes from The Catholic Foundation of North Georgia

**Finally fall and time to think about the changes in our lives.** When was the last time you reviewed your will? Do you even have a will? Now is the time to get caught up. You can go to The Catholic Foundation of North Georgia's website, go to Planned Giving and click Plan Your Will. When you have finished filling out all the information, you can print a PDF to give to your lawyer to complete your will. If you are an adult, then you need a will. If you don't have a will, the state of Georgia has one for you and you probably will not like it. While planning, please remember to include the parish building fund, capital campaign or the parish endowment fund in your will. For more information, please contact Diane Duquette, Director of Gift Planning at The Catholic Foundation, (404) 497-9440 or dduquette@cfnga.org. Visit the website: www.cfnga.org

## Praying Pacem in Terris

A natural consequence of men's dignity is unquestionably their right to take an active part in government, though their degree of participation will necessarily depend on the stage of development reached by the political community of which they are members. For the rest, this right to take part in government opens out to men a new and extensive field of opportunity for service. A situation is created in which civic authorities can, from the greater frequency of their contacts and discussions with the citizens, gain a clearer idea of what policies are in fact effectual for the common good; and in a system which allows for a regular succession of public officials, the authority of these officials, far from growing old and feeble, takes on a new vitality in keeping with the progressive development of human society.
