Be An Angel

It's that time of year again, time for the Angel Tree. As you know, many families are having financial difficulties because of the economic downturn. We, at Sts. Peter and Paul, are committed to helping our Parishioners (children ages toddler-15 years old, must reside in the parishioner's household). If you know of anyone within the parish who is having financial difficulties, please send the name of the child, his/her age, size, and what they need for Christmas to the Parish Office. The names of the children will be kept anonymous. The information will be placed on the Angel Tree. Parishioners will then choose an angel from the tree and purchase the items for that child. If you have any questions, please contact Mae Barron via email at mayfernb@gmail.net. **All requests must be submitted in writing (no phone calls) by November 30, 2014.**

Praying Pacem in Terris

Moreover, a ruling authority is indispensable to civil society. That is a fact which follows from the moral order itself. Such authority, therefore, cannot be misdirected against the moral order. It would immediately cease to exist, being deprived of its whole reason d'être. God Himself warns us of this: "Hear, therefore, ye kings, and understand: learn, ye that are judges of the ends of the earth. Give ear, you that rule the people, and that please yourselves in multitudes of nations. For power is given you by the Lord, and strength by the Most High, who will examine your works, and search out your thoughts." And lastly one must bear in mind that, even when it regulates the relations between States, authority must be exercised for the promotion of the common good. That is the primary reason for its existence. (83-84)
