2017 Archbishop's Annual Appeal

If you have not yet made a gift to the 2017 Archbishop's Annual Appeal, there will be pledge envelopes in the narthex or you can easily donate online at www.appeal.archatl.com. Once completed, please place your pledge envelope in the offertory basket. The campaign goal is \$8,000,000 and our parish goal is \$42,700. Every gift to the Annual Appeal is vitally important to assure the continued support of many important programs that help thousands in our archdiocese each year: education of our children and seminary students, evangelization and Christian initiation, ongoing formation for our priests, and more!

Thursday Scripture Study

This study compares the particular insights found in the passion and resurrection accounts of the four gospels. This study has 7-10 sessions and is ideal as a Lenten/Easter study. The passion and resurrection of Christ are at the core of Christian faith and form the capstone of each of the four gospels. This study opens Matthew, Mark, Luke and John individually to reveal the special insights each has preserved. Examining the passion and resurrection will challenge you to incorporate both the pain of the cross and the hope of the resurrection into daily living. We will study the passion before and during Lent, break for Holy Week, and resume study during Easter to examine the resurrection narratives. Meet in the Parish Office at 4:45PM on Thursdays.

Thank You

The King Family would like to express their appreciation to the entire Saints Peter and Paul Catholic Church Staff and Family for their support and love for Tony King and his ordination as Deacon. Words cannot express the love that has been shown over these last five years of his journey. We only ask for your continued prayers as he enters this new phase of his journey.

Adult Enrichment

Why should we care for the environment? This is the question that Salt and Light Television Network, in partnership with the Environmental Science and Studies Department of the University of St. Thomas in Houston, Texas, attempts to answer with the brilliant documentary series: *Creation*, a six-part series. Producer and Host, Deacon Pedro Guevara-Mann joins a Franciscan Sister, Environmental Scientist and Professor, Sister Damien Marie Savino, FSE, on a quest to answer the deeper questions about ecology and the environment within God's revelation as found in his creation and the teachings of the Catholic Church. Christian spirituality has a precious contribution to make in responding to the environment crisis because it "can motivate us to a more passionate concern for the protection of our world," (Laudato Si #216) according to Pope Francis. Join us at Adult Enrichment as we seek answers to the question: **Why should we care for the environment?** Adult Enrichment meets Sundays at 10:15AM in the first classroom on the right in the school building.

Stewards of the mysteries of God—that's what St. Paul says we are in today's second reading. And the first requirement, he says, is that we be trustworthy. Entrusted with the gift of faith, do I share it as gratefully and as generously as I do my time, my talent, and my treasure?
