Do you have high blood pressure or high cholesterol? Do you have a family history of heart disease, stroke, or diabetes? If any of these are true, do not miss this opportunity for early detection of a possible serious disease. These screenings are typically NOT performed at annual check-ups, nor will insurance companies pay for them unless you are symptomatic. Collectively, these screenings cost thousands. Stroke Scan will be offering them to you for \$149 for all 8 screenings combined. Insurance is NOT necessary to receive this discount. However, pre-registration IS necessary and appointments are limited. Please call 1-866-935-7226 to schedule an appointment today.

Notes From The Catholic Foundation

"For we brought nothing into the world, just as we shall not be able to take anything out of it." 1 Timothy 6:7 When planning our will, we first think of our family and those we leave behind. Next, please consider your parish and what it has meant to you. You can make a lasting difference in the future of your parish by remembering the parish endowment fund in your will. You can leave a percent of your estate, a dollar amount, or specific assets to the parish endowment fund. For additional information about estate planning, please contact Juliet Greco at The Catholic Foundation of North Georgia at (404) 497-9440 or jgreco@cfnga.org.
