## Combined Second Collection

The bishops of the United States established the national collections to support the Church's works of social justice, evangelization and education, both domestically and around the globe. Jesus reminds us that the two greatest commandments are to love God with our whole heart, mind and soul, and to love our neighbor as ourselves. This national collection offers us an opportunity to help our neighbors in the light of the Gospel. In doing so, we act as faithful stewards of the gifts God has given to us. The second collection next weekend is a combination of collections for World Missions, the Church in Latin America, and the Church in Central & Eastern Europe.
